Nature Based Solutions to Combating Pollution

for the Black Sea: Workshop

**in support of THE COMMON MARITIME AGENDA FOR THE
BLACK SEA**

The World Bank, Blueing the Black Sea team, in cooperation with the Commission on the Protection of the Black Sea Against Pollution, is organizing a meeting on the 21st of June 2022, from 4:00pm Istanbul/ 3:00pm CET/ 9:00am EST.

The objective of the webinar is to introduce a new study funded by the World Bank which will explore the integration of Nature Based solutions (NBS) to decrease pollution, improve livelihoods and improve ecosystems in the Black Sea. The study will examine various NBS typologies with the aim to create NBS Guidelines for the region.

This virtual event will be held via Zoom and the working language is English.

Workshop participants: BBSEA stakeholders, BBSEA WB team, BSEC, Black Sea Commission, Royal HaskoningDHV
